

VOLUNTEER FORM

Dear BCWA Members,

We are in need of your skills. BCWA has expanded tremendously in the last few years to serve the public and our members. As you know that the elected executive committee is made up of only 10 individuals and as such there is a need to expand this voluntary manpower to "run the show". All exco and subcommittee members are volunteers giving their time and energy to the Association for many years. We are seeking volunteers amongst you who would like to come forward and take part in the running of the Association.

If you would like to volunteer your time, please fill in this form and fax/ mail/ email it back to us.
